# Welcome to **Vini Furniture**

Your exclusive furniture boutique, where each piece is a meticulously crafted work of art designed to transcend the ordinary.

The Oslo Table stands out for its curved lines present in both the base and the tabletop, creating a cozier and more relaxing atmosphere. These details give the table a smooth and elegant aesthetic, adding a sense of nobility to the environment.

 OSLO

With plenty of personality, the Atila table is imposing and modern, adding presence and sophistication to the dining room. With straight lines, its legs enhance the wood, while the top brings lightness to the design.

The Dora table stands out for its striking presence and elegant design. With an imposing base for stability and rounded edges on the tabletop for a touch of softness, it's versatile for various dining settings, available in square or rectangular formats.

The Alki table features a tabletop with straight lines and slightly rounded legs, resulting in a delicate yet striking piece. It's practical and functional, offering elegance and lightness to any space.

Seeking lightness for a round table, the leg of the Holy Table was designed by blending straight lines and inclinations combined with a central opening.

 **TABLE MILA**

The Mila Table, with its versatile and elegant design, features a turned cone-shaped base that not only ensures excellent stability but also complements the piece, giving it a sense of lightness.

Mila is compact and brings versatility and elegance to its design. Its cone base complements it, bringing lightness to the piece.

# SIDETABLE MILA

The Sidetable Mila brings versatility and elegance to its design. Its cone-shaped base results in a unique design, bringing a sense of spaciousness to the environment.

The Sidetable Dara carries a contemporary and functional proposal that adapts very well to various compositions. It features a youthful and modern design, combining industrial-style legs.

## SIDETABLE DARA

## CENTER TABLE NICE

The timeless and modern design - featuring a floating tabletop for lightness - ensures that the Nice coffee table perfectly complements different decorating styles, making it excellent for living spaces and lounges. It incorporates elements of wood, metallic paint, and brass in its composition.
